HIDALGO COUNTY
ADOPTED BUDGET
FISCAL YEAR 2017

This budget will raise more revenue from property taxes than last year's budget by an amount of $1,830,138, which is a 1.09 percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is $4,549,744.07.

Record Vote of Commissioners' Court on the budget:

Ramon Garcia, County Judge	In favor
Arturo Cuellar, Commissioner Pct 1	In favor
Eduardo Cantu, Commissioner Pct 2	In favor
Jose Flores, Commissioner Pct 3	In favor
Joseph Palacios, Commissioner Pct 4	In favor

Re: 2017 ADOPTED BUDGET

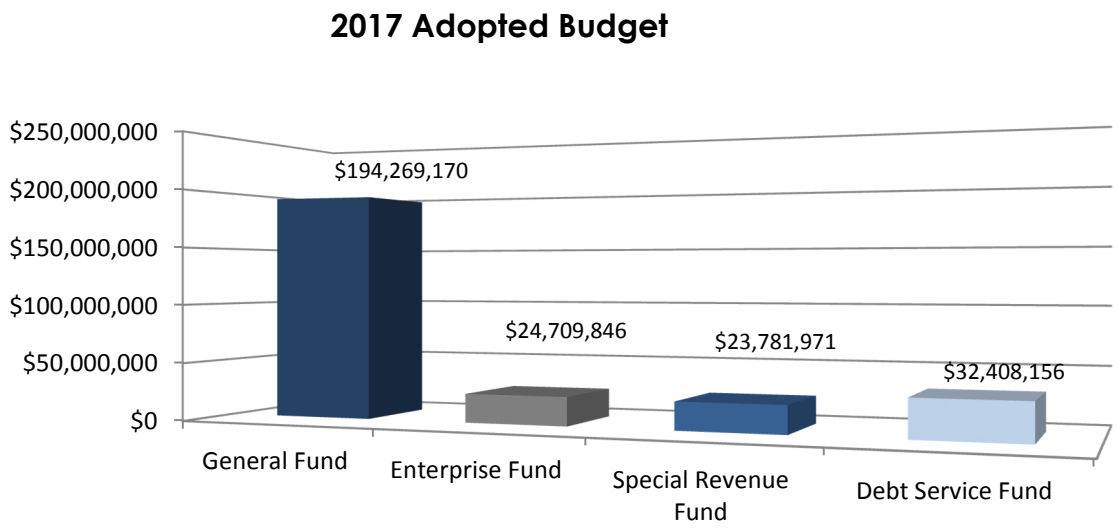
Dear Commissioners' Court Members and Residents of Hidalgo County:

With pleasure, I present to you and Hidalgo County residents the Fiscal Year 2017 Adopted Budget. This balanced budget reflects the careful planning and teamwork of elected officials and employees to maintain necessary services, improve the quality of the operations of the County and keep expenditures to a minimum. This budget seeks to continue striving to preserve property taxes as reasonable as possible while fulfilling the goals of the Commissioners' Court and the citizens of Hidalgo County.

Budget Overview

The adopted budget includes a General Fund budget of $194.3 million, a Special Revenue Fund budget of $24.7 million, a Debt Service Fund budget of $23.8 million, and an Enterprise Fund budget of $32.4 million.

The total Hidalgo County Adopted Budget for 2017 is $275,169,142.50 ($275.2million).



General Fund

The primary operating fund for the county is General Fund which 85% of its revenues is from property taxes. Other miscellaneous revenues such as fines, fees, business licenses and charges for services account for 15% of other revenue sources for the General Fund.

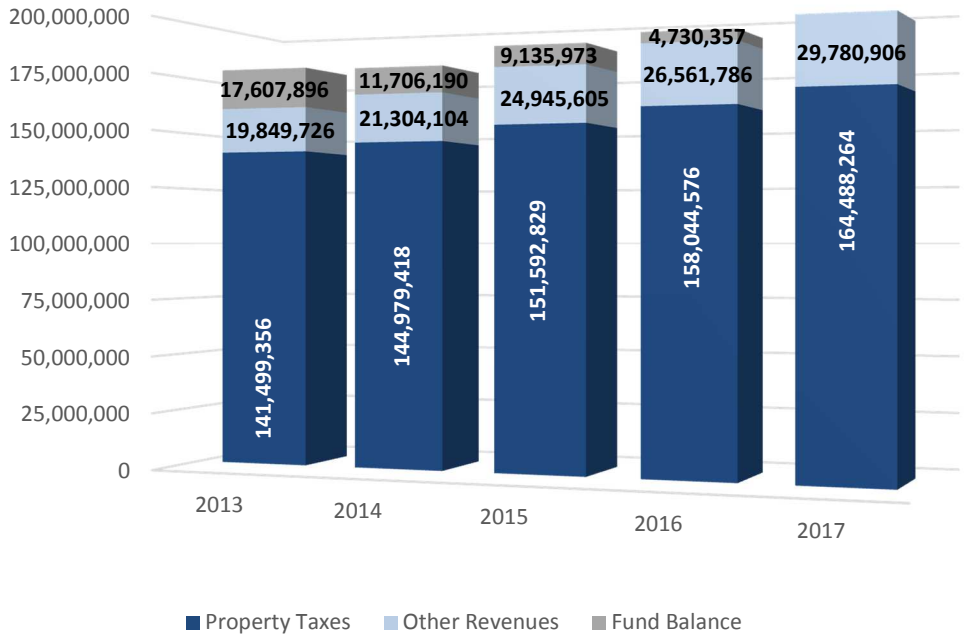
In Hidalgo County the property market values, as reported by the Appraisal District, totaled $40.499 billion in tax year 2015 and $42.465 billion in tax year 2016. After homestead and other exemptions, the net taxable amounts were $30.650 billion and $32.437 billion, respectively.

Estimated Revenues General Fund

The total tax levy for the 2017 budget year is estimated to be $185.7 million compared to $176.7 million in 2016. The effective tax rate for the 2017 budget is 0.5886; however, the adopted budget is based on a tax rate of 0.5900 as directed by Commissioners' Court. A projected collection rate of 95% for current taxes plus delinquent taxes and related penalties and interest will result in estimated tax collections of $187.6 million for 2017.

The Maintenance and Operations portion of the property tax collections is $164,488,264 and the Debt Service portion is $23,114,069. The maintenance and operations tax rate decreased from 0. 5225 to 0.5186 and the debt service tax rate increased from 0.0675 to 0.0714.

The 2017 revenues, as certified by the County Auditor, for General Fund expenditures include an estimated $164.5 million in tax revenue and $29.8 million from other revenues. This fiscal year, no funds were used from the General Fund Reserves, making up the total General Fund (M&O) 2017 Adopted Budget of $194.3 million. The following is a summary of the adopted budgets for the years 2013 through 2017.



In 2016 original estimates were increased by $5.28 million, due to the collection of more property taxes than originally projected as well as other sources of revenue. Below is a table that illustrates historical data of the General Fund revenues for the years 2013 through 2017.

ESTIMATED REVENUES VS. REVISED REVENUES

Year	Estimated Revenues	Revised Revenues	Difference
2013	161,349,082.00	164,631,406.72	3,282,324.72
2014	166,283,522.00	176,959,729.09	10,676,207.09
2015	176,538,434.00	184,555,364.22	8,016,930.22
2016	184,606,362.00	189,901,367.69	5,295,005.69
2017	194,269,169.84	-	-

General Fund Balance (Unrestricted Reserves)

The estimated Unreserved Fund Balance at December 31, 2016 is projected at $28.5 million or 14.7% of the adopted budget and it includes $1.6 million in new sources of revenue.

The projected fund balance adheres to county policy by maintaining a General Fund Unreserved Fund Balance between 10 and 15 percent. Nevertheless, Commissioners' Court goal is to have a 15% or higher reserve fund to safeguard against economic uncertainty or emergency conditions.

PROJECTED VS. ACTUAL FUND BALANCE

Year	Projected Fund Balance	Actual Fund Balance
2012	35,003,525	21,594,957
2013	23,075,237	21,279,236
2014	34,684,010	19,689,742
2015	25,474,432	26,426,520
2016	28,548,588	-

Living Wage

The 2017 Adopted Budget includes an increase to the living wage for county employees. Commissioners Court has opted to increase the minimum wage to $12.00 an hour. Recent national studies have estimated that this amount should accurately determine the U.S. minimum wage based on our GDP.

This means that about 130 employees will get a salary increase of 15% - 26% thus reducing income inequality between Hidalgo County employees as well as employee turnover. This living wage increase will have an estimated cost of $191,793. Raising the minimum wage and indexing it to inflation will ensure that low-wage workers could adopt a standard of living commensurate with the current economy.

Reduction of Gasoline Budget

Crude oil prices have continuously fluctuated in the past years. After the collapse of global petroleum demand in 2008, various worldwide events contributed to the increases in crude oil and gasoline prices in 2010 through 2014 where crude oil prices peaked at $105 per barrel. Domestic oil production has increased every year since 2008, which has pushed U.S. crude oil stockpiles to their highest levels in 80 years.

This increase of oil supply in the U.S. is what is helping to reduce oil and gasoline prices from an average of $3.80 in 2012 to an average of $2.06 in 2016 creating a significant surplus in the fuel and gasoline budget.

Due to this decrease in gasoline prices, the adopted fuel and gasoline budget was reduced by a total of $982,814 for the year 2017. These savings have been reallocated towards other programs such as the Juvenile Bootcamp.

Implementation of Judicial Pay Plan

In an effort to provide a competitive pay structure while maintaining parity among positions, the 2016 Adopted Budget included the partial implementation of the Judicial Pay Plan for the Justice of the Peace Offices. To minimize the initial cost of implementation, Commissioners' Court approved a two-year implementation plan; for the year 2017, the second phase of the Judicial Pay Plan was adopted with an estimated cost of $88,000.00.

Other Personnel Related Adjustments

The 2017 Adopted Budget includes personnel adjustments for various departments, the requests range from title changes to reclassifications of positions and various position deletions and creations.

The personnel adjustments include the creation of the Nuisance Abatement program which absorbed some positions from the Environmental Compliance department and Executive office. This new program is comprised of 6 positions, 4 of them being Environmental Compliance Monitors.

Road and Bridge Fund

Funding for Road and Bridge Fund is comprised from vehicle registration fees, traffic fines, motor vehicle sales tax, commissions and other fees. In addition, the Road and Bridge budget has been supplemented by General Fund since 2005.

Due to the estimated decrease to Road and Bridge revenues over the past years, Commissioners' Court approved the Transfer-In from General Fund to be increased by $400,009.00, totaling $8,246,569.00 for 2017.

Illustrated below you will find a five (5) year history of estimated revenues for Road and Bridge along with the budget allocation to County-Wide Administration and County Precincts.

ROAD AND BRIDGE - REVENUES

Year	Optional Motor Vehicle Registration Fee	Fines & Forfeits	Other	Motor Vehicle Licenses (R&B)	Total R&B Revenues
2013	4,700,000.00	3,890,000.00	286,000.00	1,100,000.00	9,976,000.00

Debt Service

This fund is used for debt service within the County. Currently, the debt service tax rate for 2017 is 0.0714. The County's current debt totals $198.4 million, requiring $23.8 million for payment of principal, interest and other related costs in 2017. Counties are limited on debt issuance by the Texas Administrative Code, section 53.5. Hidalgo County has not approached the limit cap; as a result there are no immediate concerns.

Conclusion

The Department of Budget and Management is committed to enhance the quality and integrity of the County's financial information. Although last year's financial forecasts seemed very adverse, through conservative management decisions and the joint efforts of county departments and elected officials, we were able to accomplish our goal of adopting a balanced budget.

Special thanks and appreciation are extended to Commissioners' Court, County Elected and Appointed Officials, and all departments and their staff for their assistance and cooperation during the preparation of the 2017 Adopted Budget. I would like to thank the staff of the Department of Budget and Management for their dedication and commitment. We look forward to working together for another successful year for the citizens of Hidalgo County.

Respectfully,

Sergio Cruz
Hidalgo County Budget Officer

Sergio Cruz
Hidalgo County Budget Officer
2818 South Business Highway 281
Edinburg, Texas 78539

Re: 2017 Special Inventory Budget

Dear Mr. Cruz,

As per Local Government Code Section 111.095, the Tax Assessor-Collector is required to file a special funds budget with the County Budget Officer at least 60 days before the first day of the County's fiscal year. Please note that these are dedicated funds and have limited use; therefore, all unexpended funds remaining in this budget will rollover to the next fiscal year.

We appreciate your assistance on this matter. If you have any questions, please contact Eva Mireles, Chief of Operations at (956) 318-2157, ext. 4730, or me at ext. 4704.

Respectfully,

Pablo "Paul" Villarreal Jr., PCC
Tax Assessor-Collector

Cc: Ray Eufracio, Hidalgo County Auditor

Hidalgo County Clerk's Records Archive Plan

(AS PER SECTION 118.025 (G) of the Local Government Code)

Whereas the Texas State Legislature found, that the deterioration of public documents in the offices of the county clerks constituted a threat to the integrity and reliability of the existing system for preserving documents,

And whereas, the purpose of the their Act was to impose a fee for filing public documents in the offices of the county clerks in order to provide funds to be used to preserve existing public documents,

The Hidalgo County Clerk's Office seeks to preserve and restore all of their public documents as defined by subsection 2 of section 118.025 of the Local Government Code. The documents included are listed, but are not limited to the following:

Marriage Records	Deed Records	Civil Records
Birth Records	Assumed Name Records	DD-214 Military Discharge
Cattle Brand Records	Subdivision Maps	Criminal Records
Death Records	Commissioners Court Minutes	Probate Records
Official Records		Bail Bond Records

In order to satisfy the requirements of this statue, the Hidalgo County Clerk's Office seeks to use the latest in technological advances to preserve and restore all aforementioned records. In order to accomplish this we will require, various tools, services, and resources. Some of the required resources are listed, but not limited to,

Personnel, facilities, services, repairs, equipment, tools, hardware, software, and general supplies needed for the creation, use, maintenance, retention, preservation, restoration of records.

Copying services including personnel, hardware and software, plus any required office equipment need to fulfill this service to operate effectively and efficiently (copy machines, paper supplies, etc…).

Scanning services including personnel, along with any hardware and software equipment required to operate the storage facility.

Re-indexing services including personnel, and any computer hardware and software equipment required to fulfill these services.

Shrink wrapping, printing, binding services, and or materials required to accomplish these types of services to better preserve and restore the integrity of its records.

Document storage services including shelving, boxes, other types of storage containers and computer technologies capable of tracking documents within the facility more effectively and efficiently.

Microfilm production, conversion and storage services also the equipment as required to accomplish these services.

The County Clerk Document Storage Facility will be maintained in compliance with the Texas Library of Archives' document storage standards. Facility will be equipped with equipment required for operating efficiently and effectively (i.e., ladders, lifts, dollies, etc…).

Transportation service, including fuel, maintenance, and repairs.

Document warehousing services including personnel, building renovations or leases, to include outfitted the warehouse with climate control to meet the Texas Library of Archive standards.

Safety and First Aid equipment to keep personnel working in a safe environment.

General Office supplies and equipment, including computer equipment with the appropriate hardware and software required to operate the storage facility.

The ability to acquire emerging technologies that could assist in the restoration and preservation of our records.

Any items not covered specifically under this plan are referenced per object code, in the Hidalgo County Auditors Object Code and Description Guidelines Manual, Paragraph I – VIII, Object Codes 111 – 899.

Hidalgo County District Clerk Office

District Court Records Archive Preservation & Restoration Plan

Texas Government Code § 51.305

Revised: March 22, 2016

Executive Summary

HB 1513 allows for temporary increases in the records archive fees and the records management and preservation fees charged by the district clerk for enhanced record management efforts, including the restoration and preservation of archived records which may include but is not limited to all case papers that are a part of:

- Civil and Family Law Cases
- Criminal Cases
- Juvenile Cases
- Historic Court Records (dated 1950 or earlier)
- Case papers in a case from any period that, because of its notoriety or significance, might possess enduring value
- Exhibits

The new legislation provides for a fee not to exceed $10 to be imposed for filing of a suit, including an appeal from an inferior court, or a cross-action, counterclaim, intervention, contempt action, motion for new trial, or third-party petition, in a district court in the county.

The purpose of this document is to provide a plan for the deterioration, restoration and preservation, digital capture, storage, retention and management of archived court documents maintained by the district clerk. This plan is a work in progress and will be updated as new products and procedures evolve.

The district clerk office is committed to complying with guidelines issued by the Texas State Library and Archives Commission Offices and those set forth by this plan (refer to the Texas State Library & Archives Commission, Local Government Bulletin B at: http://www.tsl.state.tx.us/slrm/recordspubs/lgbullb.html).

Government Code § 51.305 defines the above mentioned as follows:

- Court document – refers to any instrument, document, paper, or other record that the district clerk is authorized to accept for filing or maintenance.
- Deterioration – refers to any naturally occurring process or a natural disaster that results in the destruction or partial destruction of a court document.
- Preservation – refers to any process that:
    - suspends or reduces the deterioration of a court document; or
    - provides public access to a court document in a manner that reduces the risk of deterioration.
- Restoration – refers to any process that permits the visual enhancement of a court document, including making the document more legible.

Current state and inventory of Records Archive

Historically, district clerk office records have not been preserved, imaged or destroyed as per State record standards and procedures. As recent as 2005, scanning equipment was procured and utilized for imaging documents. Since 2007, during the new administration, huge efforts and progress has been made in procuring additional tools and equipment to ensure all documents filed are imaged in "real time." The challenge, however, lies in the imaging, restoration and preservation of the estimated 20,000 boxes of documents housed in an authorized storage facility in Edinburg, Texas. Records include record books and cases which consist of civil, family and criminal matters. This inventory includes cases of a historical nature and value.

Goal

Goals consist of imaging and archiving of all documents, regardless of type, as efficiently as possible. This also pertains to the historical hand-written records, which through preservation, will suspend their deterioration as well as improving their public access.

By transitioning to a digitized/electronic format we foresee:

- Easier access to court records by electronic means
- Cost and space savings (ie. purchase of paper and its storage)

Scope

The scope of this document includes the following:

- All district clerk records filed
- Plans to capture records electronically to improve public access
- Plans to restore and preserve records with significant historical value
- Future plans are to improve public and governmental access

This document addresses the restoration and preservation needs of the district clerk records archive only. No other departments are addressed.

Restoration & Preservation Plan

Our current policy and procedure requires all criminal cases and filed documents to be scanned on "real time" if not efiled in accordance with the Texas Supreme Court's "Order Requiring Electronic Filing in Certain Courts (Misc. Docket No. 12-9208)." The district clerk office proposes as a part of this plan to hire additional support staff (scanning clerks) and procure additional equipment (scanners) to address the documents/cases prior to 2005 that have yet to be imaged.

The proposed procedure is as follows:

- Active case documents are efiled or scanned into the Judicial Case Management System for Record Storage and retrieval convenience.
- Old or disposed case files will be requested from storage
- Once received, files will be placed in the designated scanning room/area
- All scanning clerks will verify event entries in the Judicial Case Management System prior to scanning documents
- Once scanned, the file is returned to our storage facility and filed/indexed by case number
- All cases deemed obsolete or electronically imaged, in accordance with the retention schedule issued by the Texas State Library and Archive Commission, may be destroyed (shredded)

Note: According to the Texas State Library and Archive Rules there are some exceptions from destruction such as criminal judgments or docket sheets (with defendant's finger prints) which are permanently retained.

The district clerk office may consider requesting the county go out for bids for restoration and preservation services to help address court records with a significant historical value. The restoration process will ensure legibility of these public documents for future generations.

Expenditures may include but are not limited to:

- All necessary computer hardware and peripherals,
- Computer software,
- Computer and peripheral repair as well as technical support
- Service provider and other outsourcing services.
- Support staff salaries
- Data storage supplies
- Award bids in accordance to county policy
