Criminal District Attorney Ricardo Rodriguez Jr. statement on resignation of HIDTA Commander

Today the Criminal District Attorney, Ricardo Rodriguez Jr., accepted the resignation of Jose V. Delgado as the Hidalgo County High Intensity Drug Trafficking Area (HIDTA) Task Force Commander. "I want to convey my appreciation to Commander for serving this Office and the law enforcement community with integrity and distinction."

"During Commander Delgado's tenure, HIDTA's operations and investigations were expanded, and in collaboration with other law enforcement entities, criminals and illegal drugs were taken off of the streets of our community. Our office will move forward and continue to work through the HIDTA Task Force to ensure that drug and currency seizures remain steadfast and increase in the future. Again, we thank him for his service to our office and the citizens of Hidalgo County and wish him well."
