Orders have not been issued by the Center for Disease Control and Prevention (CDC) or DSHS for the use of masks for the general public. The only masking recommendations are as follows: For emergency responders, law enforcement, hospital emergency room staff, only, while in the presence of suspected infection. If a patient or client exhibits flu-like symptoms, mask the patient/client in question. This is a droplet borne disease, not airborne. Follow Tuberculosis (TB) protocols and use droplet precautions. School districts may decide on their own if masks should be used in their schools, but it has not been ordered or recommended by the CDC or DSHS.

Hidalgo County is working with the State, which has authorized the deployment of testing supplies to Hidalgo County for distribution throughout the County. The supplies have not been received by Hidalgo County Health & Human Services as of yet.

Hidalgo County has received antivirals - Relenza & Tamuflu for distribution to Federally Qualified Health Clinics. There is no shortage of meds at this time. Local pharmacies report that they have plenty of anti-virals on their shelves.

Hidalgo County has activated the Hidalgo County Flu Information Hotline, open from 8-5pm, daily. The number is 1-866-613-5277.

The Hidalgo County Prescription Drug Discount Card does provide a discount for Tamiflu & Relenza, with a valid doctor's prescription, at a local participating pharmacy. For more information or for a card, contact Hidalgo County Judge's Office, 956-318-2600 or visit the Hidalgo County website: [www.hidalgo.co.tx.us](http://www.hidalgo.co.tx.us).

**Mexican Consulate:** As of May 6, 2009, 10:00, there are zero (0) confirmed cases along the Mexican side of the Texas/Mexico border along the Rio Grande Valley. Mexico plans to resume normal business and open all schools in the very near future.
