Reminder Workshop #6 is scheduled for Thursday, September 6, 2012 at 10:00 a.m. and will be held at the City of Edinburg Council Chambers, 415 W. University Dr., Edinburg, TX.

The Department of Budget and Management will present a summary of all personnel requests submitted for consideration during the budget process. Due to financial constraints and other related budgetary issues, our department is not recommending any personnel actions at this time.

However, we ask that any department that has submitted a personnel request to the Human Resources Department, attend tomorrow's workshop to address any questions that may arise from the Commissioners' Court.

Furthermore, the Department of Budget and Management is working diligently to prepare the presentation material for Workshop #6. Information relating to the workshop will be emailed to all departments as well as posted on the County's website early Thursday morning.
