General Policy Statement

The Rio Grande Valley Entitlement Communities have developed this Section 3 Plan and Policies in compliance with Title 24 CFR Part 135 – Economic Opportunities for Low- and Very Low-Income Persons. Such plan is intended to ensure that employment and other economic opportunities generated by qualifying HUD financial assistance shall, to the greatest extent feasible, benefit persons and business identified in the regulation. This document is applicable to contractors, subcontractors, vendors, and suppliers when threshold amounts meet or exceed \$100,000 expended for (1) housing rehabilitation (including reduction and abatement of lead-based paint hazards), (2) housing construction, (3) other public construction.

Additional provisions have been made for contracts that do not meet the above threshold, but are for building trades work arising in connection with a Section 3 covered contract and for non-construction contracts associated with Section 3 covered activities as detailed in Section III.

The policy shall result in a reasonable level of success in the recruitment, employment, and utilization of eligible persons and business on contracts partially or wholly funding with the United States Department of Housing and Urban Development (HUD) monies.

Section 3 Purpose

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701 u) requires the RGVECs to ensure, to the greatest extent feasible, that employment and other economic and business opportunities generated by the HUD financial assistance are directed to public housing residents and other low-income persons, particularly recipients of government housing assistance and business concerns that provide economic opportunities to low- and very-low income persons.

Section 3 Contracting Policy and Procedures

It is the policy of the RGVECs to require its contractors to provide equal employment opportunity to all employees and applicants for employment without regard to race, color, religion, sex, national origin, handicap, familial status, sexual orientation or gender identity. Further, it is the policy of the RGVECs to create employment and business opportunities for residents in projects that occur in their respective communities and for other qualified low- and very low-income persons residing in low-moderate income areas.

The RGVECs will incorporate Section 3 language in all applicable procurement documents generated in conjunction with the use of HUD funding. Goal requirements are set forth in 24 CFR Part 135 for awarding contracts to Section 3 Business Concerns and are delineated in Section III. Section 3 Business, Employment Training and Contracting Goals.

All contractors/businesses seeking Section 3 preference must, before submitting bids/proposals to the RGVECs, complete certifications, as appropriate, as acknowledgement of the Section 3 contracting and employment provisions required by this section.

The Section 3 Coordinator shall examine and consider a contractor's or vendor's potential for success by providing employment and business opportunities to low-moderate income residents prior to acting on any proposed award.

To the greatest extent feasible, information will be made available to persons with Limited-English Proficiency (LEP) in compliance with E.O. 13166.

Section 3 Plan

The RGVECs have developed this Section 3 Plan to create consistency in applying the provisions of 24 CFR Part 135 objectives, and to guide the action steps that will be implemented to ensure compliance with the requirements of Section 3. The Plan covers HUD-funded programs including but not limited to CDBG, HOME, ESG, HPRP, housing construction, housing rehabilitation, and public improvements construction projects.

Major components of the Plan include Section 3 Coordinator's Responsibilities, Section 3 Training, Employment and Contracting Opportunity Goals, Section 3 Business Qualifications, Section 3 Resident Initiatives, Plan Implementation, Procurement, Compliance/Monitoring and Reporting.

I. Section 3 Coordinator Responsibilities

A. Identification of Resources

The RGVECs will identify an employee who will assume the Section 3 responsibilities, herein called "Section 3 Coordinator". In particular, said employee will identify programs, projects and activities which may trigger Section 3 compliance. It is expected that the Section 3 Coordinator will prioritize programs, projects and activities based on anticipated procurement dates.

B. Outreach for Section 3 Businesses

Section 3 Coordinator will be responsible for soliciting qualified known Section 3 business concerns and creating an electronically available list of such businesses and their trades/profession as well as assisting such Section 3 Businesses in obtaining contracts or subcontracts. Actions to solicit qualified Section 3 Business Concerns will include, at a minimum, the following:

- Advertisement of contracting opportunities via newspaper, mailings, posting notices that provide general information about the work to be contracted and where to obtain additional information.
- Distributing notices of upcoming projects to local Public Housing Agencies, Texas WorkForce Commission, contractor associations, community organizations, Small Business Administration (SBA), Minority and Women's Business Enterprise M/WBE association, and Community Development Corporations.
- Conduct annual workshop on contracting procedures to include bonding, insurance, and other pertinent requirements, in a timely manner in an effort to allow Section 3 business concerns the opportunity to take advantage of any upcoming contracting opportunities.
- Provide Technical Assistance directly or through contracted organizations to help Section 3 businesses meet bonding and insurance requirements and become certified as Section 3 businesses. Additionally, this assistance will focus on helping existing Section 3 eligible contractors to identify and utilize other Section 3 businesses, subcontractors, and suppliers.

C. Outreach for Section 3 Individuals

- The Section 3 Coordinator will provide information to residents on employment opportunities.

Outreach will be conducted as necessary to meet the needs of the contractors and achieve the Section 3 employment goals. Such activities may include, but are not limited to:

- Request contractor distribute fliers and/or notices within the neighborhood of the Section 3 covered project.
- Maintaining a website with information about the process for obtaining employment as a Section 3 qualified worker.
- Conducting Section 3 presentations by participating in local community forums, job fairs and other networking opportunities.

D. Orientation/Education

All RGVEC Section 3 Coordinators will, at minimum, host an annual workshop for potential Section 3 business concerns. The workshop agenda shall include (1) applicability, (2) listing of potential projects, (3) training and employment goals, (4) general contractor requirements, (5) review, execution and submittal of certification forms, (6) procurement information/solicitation of subcontractors, (7) review of on-going compliance issues/reporting and (8) consequences of non-compliance.

Section 3 Coordinator will assist contractors in meeting their Section 3 obligations by connecting them with Section 3 eligible individuals through the Texas Workforce Commission as outlined in Section IV, below.

E. Compliance

The Section 3 Coordinator will be responsible for assuring the Section 3 Contract Clause is noted in contracts for Section 3 covered activities between the unit of local government and first tier contractors.

The Section 3 Coordinator will inform general contractors of the language necessary for them to include in their agreements with subcontractors for Section 3 covered projects. The Section 3 Clause is attached as Exhibit E or may be obtained at 24 CFR Part 135.38.

The Section 3 Coordinator must annually update Section 3 compliance documents with HUD Section 8 income limits.

The Section 3 Coordinator must provide current postings and information to be posted on the RGVEC's respective web sites.

The Section 3 Coordinator will be the public point of contact for information regarding Section 3 compliance, reporting, business certification process and all other related matters.

Further, the Section 3 Coordinator is responsible for obtaining information necessary to remit Section 3 annual reports and remit said reports as required by HUD. Currently, the report is submitted electronically and is due no later than with the Consolidated Annual Performance and Evaluation Report (CAPER).

F. Section 3 Reporting

1. Annual Reporting

RGVECs will report to HUD annual accomplishments regarding employment and other economic opportunities provided to low and very low income person under Section 3. Form HUD-60002 is currently being utilized for reporting accomplishments. This form may be changed and updated from time to time as required by HUD and 24 CFR 135.

2. Contractor Reporting

Contractors are required to submit to RGVEC a Monthly Compliance Form, Monthly Employee Utilization Report, and an Employee Data and Certification form for all new hires.

Contractors are required to submit a Monthly Employee Utilization Report, and an Employee Data and Certification form for all new hires for each of their subcontractors.

Contractor payment requests will not be processed until all reporting requirements have been met.

G. Procurement

Section 3 Coordinator will, when feasible, attend scheduled pre-bid, pre-construction, bid opening and construction meetings or will be available should additional information be requested. Section 3 Coordinator will also provide guidance on procurement preference provisions as outlined in Part 135.36 of the Section 3 Regulation.

II. Applicability and Procurement

A. Bidding and Negotiation Requirements

Section 3 requirements are triggered when an anticipated contract award meets or exceeds \$100,000 for (1) housing rehabilitation (including reduction and abatement of lead-based paint hazards), (2) housing construction, (3) other public construction.

Numerical goals are set forth in Section III regarding non-construction contracts associated with housing rehabilitation, housing construction, or public facilities (architectural, engineering, etc).

When recipient solicits proposals on a Section 3 covered activity, local procurement standards will apply. However, in compliance with the Section 3 Plan for the RGVECs, non-Section 3 Business will be utilized in a strictly competitive manner during the procurement process. When a Section 3 covered contract is to be awarded based upon the price, the Section 3 business concern with the lowest responsive bid shall be given the opportunity to match the lowest responsive bid from any qualified source. If said Section 3 business concern cannot match the lowest responsive bid, then the award shall be made to the lowest bidder. Should more than one Section 3 Business be able to match the non-Section 3 business proposal, the order of priority has been established in the section entitled "Preference for Contracting with Section 3 Business Concerns".

RVEC's will require the contractor/subcontractor to prepare and submit a Contractors Section 3 Plan (Exhibit A) with their contract documents prior to the commencement of any work under the contract. This plan must

be approved in writing by the RGVEC prior to the commencement of any work under the contract. The contractor/subcontractor will also submit Exhibit G to provide the current work force of the contractor along with workforce projections identifying projected number of new hires by job category.

Notwithstanding Section 3 noted preferences, Section 3 businesses must have the capacity to perform successfully under the terms and conditions of the proposed project contract. Under 24 CFR 85.36(b)(8), consideration, among other factors, is the potential contractor's record of complying with public policy, including Section 3 requirements.

The RGVECs shall require prospective contractors for work in connection with Section 3 covered projects to provide, prior to the signing of the contract, a preliminary statement of work force needs (skilled, semi-skilled, unskilled labor and trainees by category). Such information shall be supplied prior to any signing of any contract between contractors and their subcontractors. Consideration should be given to those contractors who will have training and employment opportunities for project area residents.

Applicants, recipients and contractors will ensure that the attached Section 3 Clause (Exhibit E) and Assurance of Compliance (Exhibit B) are made a part of all contracts.

Because goals for contracting opportunities apply to any applicant, when said applicants other than the recipient are soliciting contracts or subcontracts in conjunction with a Section 3 covered activity, they must, to the greatest extent possible, make every effort to publicize and maximize contracting opportunities in order to ensure participation by Section 3 businesses.

In implementing its affirmative action plan, each applicant, recipient, contractor, or subcontractor shall make a good faith effort to achieve its goal or target number and estimated dollar amount of contracts to be awarded to the eligible businesses and entrepreneurs within each category over the duration of the Section 3 covered project.

B. Preference for Contracting with Section 3 Business Concerns

The RGVECs, in compliance with Section 3 regulations, will require contractors and subcontractors to direct their efforts towards contracts to Section 3 business concerns in the following order of priority (24 CFR 135.36):

- **Category 1: Certified Section 3 business providing economic opportunities for Section 3 residents.**
Preferences are listed in order of priority:
 - Project area or neighborhood
 - Public Housing Residents
 - Limits of unit of local government
 - Metropolitan Statistical Area
 - County in which recipient is located
 - Rio Grande Valley

- **Category 2: HUD Youthbuild programs being carried out in the RGVECs in which Section 3 covered assistance is expended.**

Contractor and subcontractors that can clearly demonstrate how they will meet the requirements in this section will be given a contracting preference.

III. Section 3 Business, Employment Training and Contracting Goals

A. Employment Goals; Compliance Review

It is the policy of the RGVECs to utilize Section 3 residents and other eligible persons and businesses in contracts partially or wholly funded with monies from the U.S. Department of Housing and Urban Development (HUD). The RGVEC's have established minimum employment and training goals that contractors and subcontractors, including those providing low to moderate income employment opportunities through economic development activities, should meet in order to comply with Section 3 requirements.

The numerical goals established in this section represent minimum numerical targets (reference 24 CFR 135.30 – Numerical goal for meeting the greatest extent feasible requirement).

- 30 percent of the aggregate number of new hires/training opportunities annually; and
- 10 percent of the total dollar amount of all Section 3 covered construction contracts annually
 - Building trades work arising in connection with housing rehabilitation, housing construction and other public construction (ex. demolition) ; and
- 3 percent of the total dollar amount of covered non-construction (ex. professional services) contracts annually
 - Section 3 covered non-construction projects include professional service contracts associated with construction (ex.: architectural, engineering, legal services, accounting, marketing, etc)

It is the responsibility of contractors to implement efforts to attain Section 3 compliance. Any contractor that does not meet the Section 3 numerical goals must demonstrate why meeting such goals was not feasible.

Should the contractor fail to meet the Section 3 reporting requirements the following actions may be taken:

- Written warning notice of non compliance and remedial actions needed;
- Failure to meet the reporting requirements may result in termination of the contract for default, suspension and jeopardize future HUD funded projects.

B. Section 3 Businesses

A Section 3 Business Concern is defined as a business concern (1) that is 51 percent or more owned by Section 3 resident; or (2) whose permanent full-time employees include persons at least 30 percent of whom are currently Section 3 residents or within three years of the date of first employment with the business concern were Section 3 residents; or (3) that provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontractors to be awarded to business concerns that meet the qualifications. Designations will be made by the Section 3 Coordinator for the RGVECs.

The RGVECs have opted to accept any other RGVEC certification of Section 3 Business compliance. Such certification must be obtained from the Department that oversees the Community Development Block Grant funds. Further, certification will be valid for three years from the date of execution.

C. Evidence of Section 3 Certification

Any business seeking Section 3 preference in the awarding of contracts or purchase agreements with the County must be able to provide a copy of the Section 3 certification form received and acknowledged by any of the RGVECs as evidence of eligibility for preference under the Section 3 Program. The certification shall be submitted along with bid packages and must be received prior to bid opening.

Each applicant, recipient, contractor, and subcontractor on a Section 3 covered project shall sign the attached Section 3 Assurance of Compliance (Exhibit B).

IV. Section 3 Residents/Individuals

Persons seeking work on projects funded in part or in whole with U.S. Department of Housing and Urban Development grants must provide their names, contact information, job skills and certifications (if any) to the Texas Workforce Commission.

A. Resident Hiring Requirements

The RGVECs have adopted a 30% goal for resident hiring that is to be used on construction contracts (24 CFR 135.30). A prime contractor may satisfy resident hiring requirements through its subcontractors. A Section 3 Employee Data and Certification form shall be utilized in documenting eligibility for participation in the program (Exhibit J or K).

It is not intended for contractors and subcontractors to terminate existing employees, but to make every effort feasible to employ Section 3 program participants before any other person, when hiring additional employees needed to complete proposed work on Section 3 covered activities.

B. Assisting Contractors to Achieve Section 3 Goal Hiring and Contracting Goals

RGVECs will assist contractors, through the Section 3 Coordinator, in achieving Section 3 hiring and contracting goals by:

- Requiring the contractor to present a list to the Section 3 Coordinator of the number of subcontracting and/or employment opportunities expected to be generated from the initial contract.
- Referring the contractor to the Texas Workforce Commission for a listing of Section 3 residents for construction projects.
- Providing contractor with a list of Section 3 business concerns interested and qualified for construction projects.
- Informing prime contractors and subcontractors of the Section 3 Clause requirement and, when requested, will serve to clarify the intent.
- Giving notice of specific openings to all parties listed in Section I.

C. Contractor's Requirements in Employing Section 3 Residents

Under the RGVECs Section 3 Program, contractors and subcontractors are required to:

- Provide employment opportunities to Section 3 residents/participants in the priority order listed below in accordance with 24 CFR 135.34(a)(2):
 - Category 1 Residents - Section 3 residents residing in the service area or neighborhood in which the Section 3 covered project is located
 - Category 2 Residents – Participants in HUD Youthbuild program
 - Where the Section 3 project is assisted under the Steward B. McKinney Homeless Act (ESGP, SHDP, etc. as per 42 U.S.C. 11301 et seq.), homeless persons residing in the service area or neighborhood in which the Section 3 project is located shall be given the highest priority
 - Other Section 3 Residents
 - Recipients of housing assistance programs administered by the Assistant Secretary for Housing herein provide a preference to residents of the housing development receiving the Section 3 covered assistance within the service area or neighborhood where the Section 3 covered project is located
 - Recipients of community development programs herein provide priority to recipients of government assistance for housing including recipients of certificates or vouchers under the Section 8 housing assistance program within the service area or neighborhood where the Section 3 covered project is located
- After the award of contract but prior to beginning work, the contractor must, in a visible location within the project, complete and post Exhibit F which will provide the following information:
 - RGVEC Section 3 Plan and preferences
 - Set forth number of jobs and titles for hire
 - Availability of apprenticeships and training positions, if any
 - Contact information for person(s) taking applications or providing information on qualifications for new hires apprenticeships and training positions
 - Anticipated date the work shall begin

V. Section 3 Procedure for Reporting Non-Compliance

In an effort to resolve Section 3 concerns due to non-compliance, RGVEC encourages written submittal to its Section 3 Coordinator. Concerns should contain the name of the complainant and brief description of the alleged violation. An investigation will be conducted which may include testimony and/or evidence pertinent to the complaint.

In the event the Section 3 resident or Section 3 business does not feel the RGVECs satisfactorily resolved the concern, complainants should file the concern using form HUD 958 and submit to:
