Honorable Commissioners' Court  
Hidalgo County, Texas

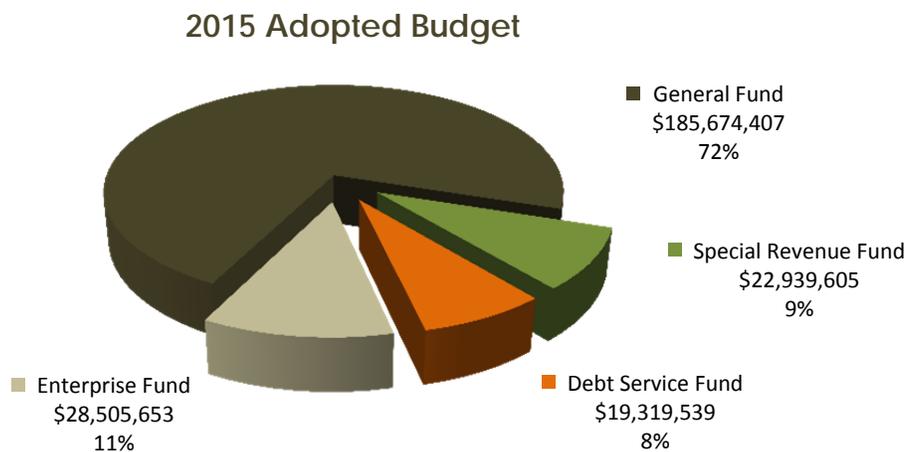

It is my pleasure to present to you the 2015 Adopted Budget for the County of Hidalgo, Texas. This budget reflects the careful planning and teamwork of elected officials and employees throughout the county. The Adopted Budget has been filed with the County Clerk and with the County Auditor as per Texas Local Government Code Section 111.069.

### **2015 Adopted Budget – All Funds**

The Hidalgo County FY 2015 Adopted Budget has been developed by the Department of Budget and Management as directed by Commissioners' Court with the cooperation of and in coordination with all Elected Officials and Department Heads.

The total Hidalgo County Adopted Budget for 2015 is \$256,439,204.43 (\$256.4 million).

The Adopted Budget includes a General Fund Budget of \$185.7 million, a Special Revenue Fund budget of \$22.9 million, a Debt Service Fund budget of \$19.3 million, and an Enterprise Fund budget of \$28.5 million.

### **Adopted Budget – 2015 General Fund**

The General Fund is the County's primary operating fund. It accounts for all financial resources of the general government except those required to be accounted for in another fund.

The primary revenue source for the General Fund is from property taxes, which account for 86% of all revenues. Fines, fees, business licenses, charges for services and other miscellaneous revenues account for 14% of other revenue sources for the General Fund.

In Hidalgo County the property market values, as reported by the Appraisal District, totaled \$36.589 billion in tax year 2013 and \$37.529 billion in tax year 2014. After homestead and other exemptions the net taxable amounts were \$27.910 billion and \$28.613 billion, respectively.

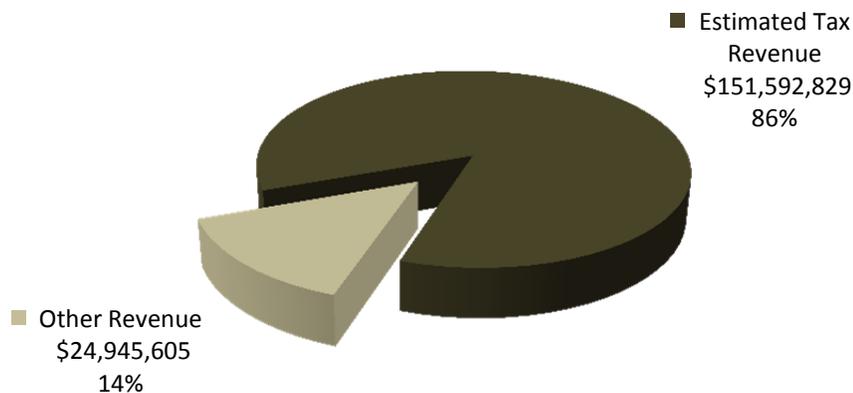

**Estimated Revenues General Fund**

The total tax levy for the 2015 budget year is estimated to be \$166.4 million compared to \$161.5 million in 2014. The effective tax rate for the 2015 budget is 0.5822; however, the adopted budget is based on a tax rate of 0.5900 as directed by Commissioners’ Court. A projected collection rate of 94.5% for current taxes plus delinquent taxes and related penalties and interest will result in estimated tax collections of \$168.7 million for 2015.

The Maintenance and Operations portion of the property tax collections is \$151,592,829 and the Debt Service portion is \$17,101,019. The maintenance and operations tax rate increased from .5208 to .5308 and the debt service tax rate decreased from .0692 to .0592.

The 2015 revenues, as certified by the County Auditor, for General Fund expenditures include an estimated \$151.6 million in tax revenue and \$24.9 million from other revenues.

**Where The Money Comes From General Fund**

The above illustration reflects certified revenues which total \$176.5 million. Furthermore, an additional \$9.1 million has been budgeted from General Fund Reserves, which make up the total General Fund (M&O) 2015 Adopted Budget of \$185.7 million.

The appropriation from fund balance reserves to support the adopted budget may not be required, as original revenue estimates are historically revised upward later in the budget year by the County Auditor. In 2014 original estimates were increased by \$10.7 million, due to the collection of more property taxes than originally projected as well as other sources of revenue such as charges for county services and intergovernmental revenues. Below is a chart that illustrates historical data of the General Fund Adopted Budgets for the years 2011 through 2015.

Year	Property Taxes	Other Revenues	Fund Balance	Total Budget
2011	137,799,740	18,563,530	5,536,730	\$161,900,000
2012	139,007,402	19,231,699	8,510,592	\$166,749,693
2013	141,499,356	19,849,726	17,607,896	\$178,956,978
2014	144,979,418	21,304,104	11,706,190	\$177,989,712
2015	151,592,829	24,945,605	9,135,973	\$185,674,407

2015	176,538,434.00	-	-

**General Fund Balance (Unrestricted Reserves)**

The estimated Unreserved Fund Balance at December 31, 2014 is projected at \$34.7 million. However, in an effort to provide a realistic financial plan, \$9.1 million have been allocated from the County’s unreserved fund balance.

On January 1, 2015, the unreserved fund balance is projected to total \$25.0 million or 13.5% of the Adopted 2015 Budget of \$185.7 million. The projected fund balance adheres to county policy by maintaining a General Fund Unreserved Fund Balance between 10 and 15 percent.

**Table 2 – Projected and Actual Fund Balance** - Illustrates a five (5) year history of the ending fund balance projected by the County Auditor. The actual balances as certified by the County’s external auditors at the close of each business year are listed as per the Consolidated Annual Financial Report (CAFR). The increases to the fund balance result when the County spends less than the revenues it collects.

**TABLE 2 - PROJECTED AND ACTUAL FUND BALANCE**

### ***Personnel Related Adjustments and Fringe Benefits***

Hidalgo County is among the growing number of public bodies that have increased the minimum wage to comply with Presidents Obama's recommendation. The 2015 Adopted Budget includes an increase to the County's minimum hourly rate to \$10.10. This increase will impact the 2015 General Fund Budget by \$16,639. As per the 2015 Budget Development Criteria approved by Commissioners' Court, all other salary related requests were not adopted.

Due to the increasing cost of health care, a 5% increase in the health insurance contribution rates was included in the 2015 Adopted Budget, totaling about \$622,274.00. Several changes to fringe benefits rates were also included, such as the increase to the Unemployment rate from 0.57% to 0.60% totaling \$20,310.70, as well as a decrease in the Retirement rate from 10.89% to 10.63% yielding a savings of \$336,682.94. Additionally, Worker's Compensation contributions increased the budget by \$261,841.34 or 19.67% from last year's expenses.

Although there were numerous discussions regarding a countywide reduction-in-force, Commissioners' Court was able to adopt a budget that would not impact the county's workforce, since Hidalgo County's financial position has improved substantially since 2014.

### ***1115 Entity Waiver***

During 2014, Hidalgo County contributed \$9.0 million for uncompensated care, in an effort to expand Medicaid managed care and replace the upper payment limit program with two new pools of funding, the Uncompensated Care (UC) pool and the Delivery System Reform Incentive Payment (DSRIP) pool.

As part of the County's budgeting efforts, Commissioners' Court acknowledged that although the County's finances have improved from prior years, Hidalgo County is still projecting a deficit for 2015. Therefore, the 2015 Adopted Budget includes a program contribution of \$6.0 million, a reduction of \$3.0 million compared to the 2014 contributed amount.

### ***Other Budget Highlights***

As mentioned above, the 2015 Adopted Budget is comprised of various major project expenditures. Other budget highlights include a contribution of \$1.0 million for the creation of a Medical School as provided during 2014.

Additionally, Commissioners' Court approved a 25% reduction to all aid to non-governmental agencies, the reduction would continue annually until funding is reduced 100%. Therefore, the 2015 Budget includes an additional 25% reduction to the original contributions provided to non-governmental agencies such as museums and other organizations.

The budget also includes the reduction of various transfer-out accounts totaling \$415,292.00 due to reduction in cash match and/or expiration of the grant including the Sheriff's Office Cops Universal Hiring Grant, which is set to expire in 2016.

### **Adopted Budget – 2015 Road and Bridge Fund**

Funding for Road and Bridge Fund is comprised from vehicle registration fees, traffic fines, motor vehicle sales tax commissions and other fees. In addition, the Road and Bridge budget has been supplemented by General Fund since 2005.

Due to the estimated decrease to Road and Bridge revenues of 5.52%, Commissioners' Court approved an increase of the Transfer-In from General Fund in the amount of \$1,200,000.00 for 2015.

**Table 3 - Road and Bridge Revenues** - Illustrates a five (5) year history of estimated revenues for Road and Bridge.

## **Conclusion**

The Department of Budget and Management is committed to enhance the quality and integrity of the County's financial information. The 2015 Budget Process provided several financial hurdles; however, through conservative management decisions by Commissioners' Court, Hidalgo County is able to provide a realistic financial and operating plan for County departments.

I would like to express my appreciation to Commissioners' Court, County Elected and Appointed Officials, all departments and their staff for their assistance and cooperation during the preparation of the 2015 Adopted Budget. I would especially like to thank the staff of the Department of Budget and Management for their dedication and commitment. As we all look forward to the coming year, our department will continue its efforts to provide support to all county departments in an efficient and effective manner.

Respectfully,

Sergio Cruz  
Hidalgo County Budget Officer
