One person dies of COVID-19 complications; 278 more people test positive

EDINBURG – As we move into a critical holiday weekend, one resident has died due to complications related to COVID-19 and 278 learned they have tested positive for the virus, Hidalgo County Judge Richard F. Cortez said Friday.

That brings the total number of known positive cases in Hidalgo County to 4,798. As of Friday, a total of 478 people have been hospitalized with complications from the disease; 115 of those people are in intensive care units.

"The 4th of July holiday is here and our best medical experts are telling me this is a critical weekend as we test the capacity of our hospital systems," Judge Cortez said. Please consider your family's safety and those of your neighbors as you plan your weekend activities."

The day's single COVID-19 related death involved a McAllen man in his 20s, said Judge Cortez. "I want to extend my deepest condolences to the family and friends of today's victim. The loss of one person is one too many." Fifty-seven people have now died in Hidalgo County after testing positive for the virus.

A total of 339 people were released from isolation today meaning that they have been symptom-free for 10 days, including three days without a fever. Currently there are 2,864 net active cases and 2,449 test results pending.
